WORK EXPERIENCE

NewWave India Technologies LLP
Full Stack Developer I

Remote
Sept 2021 - Present

- Led a team of four members for a new project, overseeing the design of the database architecture (ER diagram), comprehensively grasped the client's requirements, and ensured the assignment of User Stories to each team member.
- Accomplished the creation of an entire website overnight, demonstrating proficiency in meeting tight deadlines and excelling in a fast-paced work environment.
- Developed streamlined API endpoints and optimized system performance.
- Completed full redesigning of the existing website to enhance the User Experience, improve navigation, and reduce the number of clicks
- Delivered knowledge transfer sessions to junior developers regarding project-related subjects.

NewWave India Technologies LLP
Full Stack Developer Intern

Remote
May 2021 - Sept 2021

- Worked well in a team setting, providing support and guidance.
- Learned various technologies/frameworks such as React JS, Python Flask, Azure, etc.,
- Proven ability to learn quickly and adapt to new situations.
